LEE MORAN in

"HENPECKED"

AUG -1 1922

C A S T

THE HENPECKED HUSBAND.....LEE MORAN
THE WIFE.....E. Roberts
THE BLACKSMITHBud Jamison
QUEENIE, THE HORSEBy HERSELF

Lee the henpecked husband of a wife weighing about three hundred pounds or so, is being pounded by his worthy spouse and warned to get a job that day or out he would go.

The wife accompanies Lee to a blacksmith shop where Lee secures work. Lee has a hard time shoeing horses and a mule that persists in kicking Lee's head. One kick lands Lee on the cash register which rings up some money. Lee has to put some money out of his pocket to make good. Queenie, the horse comes in for shoeing. Lee tells her to get a pair of shoes for another little horse there - Queenie brings the blacksmith's shoes and mutilates them. The blacksmith becomes furious at Lee. Lee loses his job.

On his way home, Lee buys a bottle of Nervo. He drinks some, goes into his home, orders the gossiping women there out and commands his wife to go out into the barn and get some wood. Just then the Nervo wears off. The wife asserts herself again and Lee jumps out the window on to Queenie and rides away.
